"I needed this book 60 years ago. 20 minutes a day following Dan`s teaching has become a daily pleasure. Any one, young or 80 like me, can use this book with confidence" - Ian Laing

Learn how to play guitar with better technique, more confidence and have more fun with just 20 minutes of proper practice per day.....even if you believe you have "no ear for music", you "are too old to learn" or you have "no natural talent". Learn 10 of the most FUN, exciting and useful fingerpicking patterns that will allow you to play 1000`s of songs. Discover how to fingerpick your guitar using a simple, step by step method that will help you avoid years of frustration- Learn how to play without pain and no more sore fingers you can actually make music that YOU enjoy. I`m Dan Thorpe, and I`m experienced in teaching struggling beginner adults aged 50+ how to fingerpick properly and have loads more fun on the guitar. In fact, I remember teaching a student called, Mike who struggled for a year trying YouTube lesson - his dog would even run away when he practised! On his first lesson, I addressed these areas in a simple and easy to follow way. I also gave him a specific plan on how to practice to get the most from his playing. Over time Mike started to see little breakthroughs... And eventually, for his 35th wedding anniversary, he performed a fingerpicked version of The Beatles song "I Will", which was his and his wife`s most treasured song. It brought tears to her eyes. Mike now plays his favourite fingerpicking songs with confidence...And the dog no longer runs away when he starts to play! The solution for fingerpicking success, just like Mike`s is to have an easy to follow, simple step by step plan. Fingerstyle 101 (2nd edition) is this guide. Now, a brand new and massively

Learn Beginner Guitar Chords The Right Way, From The Start In the 24 + years that I've been playing the guitar, I've learnt a lot about what works and why it works for beginner guitar players. I've given a lot of thought to how players can progress as easily and efficiently as possible. I want to give you just a handful of relatively easy beginner guitar chords that have been used in hundreds, if not thousands, of songs throughout the years. In addition to this, I'll show you how to practice these chords in a way that will ensure that your playing technique advances swiftly and holistically. Who Is This Book For? This book was specifically written for the beginner guitar player who wants to go deeper, quicker. If you want to know how to learn guitar chords the right way, this is the book for you. Here's what you get in Beginner Guitar Chords In Theory & Practice: Learn the guitar chords that every guitarist absolutely must know, which have been used in countless songs through the ages, and how to play them with Clarity and Efficiency. Understand the guitar music theory behind how these chords are grouped together in a way that 'just sounds

right'. Knowing these chord groups is really powerful and it's perfect for laying a solid foundation before learning songs. Learn the most common guitar chord progressions for guitar and how to practice them with Good Timing, a skill that most beginner guitar players lack. Discover the 5 beginner guitar scales which go perfectly with the chords you learn. This is a perfect jumping off point for riffs & solos, as well as being powerful foundational knowledge for more advanced concepts down the road, such as fingerstyle guitar.

Bonus Material You also get this awesome supplementary material (there is a link provided to it in the chapter entitled, 'Book Bonus' on page 4): Over 150 downloadable MP3 audio track examples of all the material contained in this book, so that you can hear what it sounds like, in addition to seeing it on the page. 50 + powerful chord hacks to sweeten your basic chords and take your playing to the next level (downloadable pdf). Online quizzes for each section, that will help you to really nail the basic chord theory for guitar contained in this book. All you need to do is follow the link provided in the chapter entitled 'Book Bonus', on page 4, log in and use the material whenever you like. Ready To Start? I use the following very simple criteria when I'm deciding whether or not I should write a new book or course, which is: "Knowing what I know now, would this information have made my life easier when I was just starting out?" The answer to this question is a resounding 'YES!' This is one of the most important beginner guitar lessons you could get. It's the perfect book for guitar players who want to start off learning their

energy of contemporary grooves? the answer is Global Adventures for Fingerstyle Guitarists. Considered by critics as the Fernando Sor of the 21st Century, Steve Eckels has composed and arranged 23 fingerstyle guitar arrangements based on the styles of Carlos Santana, Yanni, Klezmer, Bollywood, Bob Marley, Brazil 66, Mariachi, Jose Feliciano, Harry Belofante, Flamenco, and others. Eckels, a National Board Certified teacher, has tested and perfected the arrangements in his high school guitar classes and the music is playable and recreational for high school age and older. Eckels arrangements are known to millions of guitarists for their clarity of notation, playability, and hit-song sound. This book continues the tradition that Mason Williams started with hit song Classical Gas by combining classical techniques with exciting rhythms. This book is a perfect supplement for Eckels landmark book A Modern Method for Fingerstyle Guitar." Audio CD includes a recording of each tune played by the author. Standard notation and Tablature.

This definitive volume of gospel music arranged for fingerstyle guitar is sure to become a classic. Duck Baker has applied his expertise as a guitarist and musicologist to produce a labor of love and scholarship that will delight performers and audiences alike. Various facets of religious folk music are presented with generous performance/historical notes and vintage photographs. More than 50 tunes are presented in both notation and tablature with the majority of arrangements in standard guitar tuning. The online audio consists of performances of 24 of the arrangements in the book. One song features guitar and voice and the rest are guitar solos. The tunes represent a cross-section of the different guitar styles covered in the book. Includes access to online audio. This comprehensive book contains over 100 Celtic tunes
arranged for solo fingerstyle guitar. This edition is derived
from a collection of nearly 300 arrangements Glenn Weiser
has created over the last twenty years. the book is divided
into 4 sections: 1) airs, marches and waltzes 2) hornpipes,
jigs and reels 3) tunes from the Bunting collection 4) harp
tunes of Turlough O'Carolan. All are in either standard or
dropped-D tuning, and can be played on either nylon or steel
string guitars. All of these melodies are accompanied with
brief historical notes. Written in standard notation and
tablature. Intermediate in difficulty.

A beautiful variety of traditional Jewish melodies arranged for
classical or fingerstyle guitar. 20 solos and 6 duets.

Sephardic, Yiddish, Israeli and Oriental folk songs, as well as
Chassidic tunes, Klezmer tunes and music originally sung by
Cantors. Intermediate and advanced level, with a few pieces
included that can be enjoyed also by less experienced
players. Annotations and Performance Notes for each piece,
providing historical and/or cultural perspective as well as
technical guidance. An Appendix (with Glossary) discusses in
considerable detail Jewish scales and modes. A Bibliography
and Discography are provided for those who would like to
learn more about these beautiful and enduring musical
traditions. Praised by Steve Marsh of Classical Guitar
magazine and by Judith Pinnolis of Brandeis University and
Jewish Music Web Center among others.

Every imaginable technique and pattern right at your fingertips. Whether you're new to fingerstyle or an experienced player wanting to enhance your skills and knowledge, this comprehensive course won't leave any gaps in your training and even includes techniques for creating your own fingerstyle arrangements. All three 96-page books include TAB as well as standard notation for every example. Fingerstyle guitar is extremely popular today. This is because it lends itself to very personal and lyrical solo and accompaniment styles. This method is one of the very best at teaching the basics of fingerpicking. Written by Nashville's fine guitarist, Tommy Flint, you will learn chording, Travis picking, soloing, scales and accompaniment patterns, playing over the entire fingerboard, barre-chords, two-string harmony, combining hammer and slide, three-against-four roll, contrary motion, crosspicking, harmonics, right and left hand agility studies, and much more. A bonus is the inclusion of over 50 great, original Tommy Flint fingerpicking guitar solos which reflect a rich diversity of styles. This volume includes material previously published in two volumes as Mel Bay's Deluxe Fingerstyle Guitar Method. Written in notation and tablature. This package includes an audio download available online which provides play-along demonstrations of many of the exercises and solos in the book, starting with page 41. The solo guitar is on the right with accompaniment guitar on the left, so you can eliminate the solo part or accompaniment by adjusting the balance control of your player

This book is complete in the sense that there is something for everyone: beginners, intermediate players and professionals. Fingerstyle guitar has always been a melting pot of many different styles and influences. It is hard to pin it down to one ingredient that is unique to American or British fingerstyle. However when you begin stir the pot, the ingredients begin to separate, and without being too patriotic you could say there really is a thing called 'Great British Fingerstyle'. When you hear the opening bars to 'Stairway to Heaven', a few lines by Nick Drake or an intro by Genesis or Pink Floyd the acoustic guitar takes on an essential British flavour. American fingerstyle has its roots in blues, ragtime, jazz and country with syncopation as it's overriding character. British fingerstyle, however, went down a completely different road with roots in the fusion of Classical, Baroque, Spanish and Celtic/Folk music. Also, in it's own unique way, it took on board the influence of American fingerstyle guitar. In this course we'll be exploring the influences, styles and techniques that make up the quintessential 'Great British Fingerstyle' So, pour the tea and let's play fingerstyle guitar the 'British way! Presenting 45 melodies composed by the blind Irish bard and harpist Turlough O'Carolan arranged by such guitar greats as Dave Evans, Davey Graham, El McMeen, Duck Baker and many others. As these melodies lend themselves particularly well to guitar settings, O'Carolan's compositions have captured the imagination of guitarists world-wide. This compilation divides the tunes into three categories:
