Quickly learn Affinity Photo image editing Affinity Photo is the hot photo editing package from Serif. It can compete head on with the latest version of Photoshop. It's also affordable, incredibly powerful and exceptionally flexible. But all this power and flexibility brings its own challenges. Just like Photoshop, Affinity Photo can be confusing and tricky to learn. Even with a background in Photoshop image editing it's likely you will miss a lot of its features. And unlike Photoshop you won't have an endless choice of books to learn from. Which is where "Essential Affinity Photo" comes to the rescue. In this comprehensive yet easy to follow book, Landscape Photographer Robin Whalley explains the core features of Affinity Photo Desktop. Written in his unique, easy to understand style, Robin explains logically the essential techniques you need to know to learn Affinity Photo. Follow this book and its examples and you will soon be editing images as though you have been using the software for years. The book is arranged into a series of lessons that focus in on the essential image editing skills. Each lesson

builds on the previous one, minimising repetition and saving you valuable time. You will learn about: Different Affinity Photo Personas, what these do and how to navigate them. The Develop Persona, using it to convert a Raw photo file into a high-quality image. How layers form the backbone of the Photo Persona and how to use them to improve your editing. Different Adjustment layers, filters and live filters you can apply, to fine tune and improve your photography. How to convert your images to black and white as well as important techniques such as Dodging and Burning. Creating and using layer masks to precisely target your adjustments to specific areas of an image. Harnessing the power of the Export Persona. And lots more. Throughout the book there are examples and exercises for you to follow. The author provides the images for these on his website, allowing you to follow along on your own computer. You won't need to wade through hundreds of pages to find answers. This is a comprehensive and concise guide to help you learn Affinity Photo. It doesn't matter if you are a complete novice or have some experience of Affinity Photo, this book could help improve your Affinity Photo editing.

Who never made a list of new year's resolutions only to ditch them by the end of the year? If that's not your style, I bet you know that friend or family member that always makes new year's resolutions just to get upset, or even a little bit depressed, when the holidays arrive. Well, sometimes there's no need for a list. Just one or two promises are enough to keep you busy the whole year. So, grab your copy of this lovely notebook and have it as a reminder that: little actions will bring you closer to your goals than a list of broken promises. How big do you want it to be? Which portions within the publication do you find useful? How have the expectations of your customers changed over time? What are the advantages and disadvantages of your formats? Who do you want/need to communicate with your target audiences? Defining, designing, creating, and implementing a process to solve a challenge or meet an objective is the most valuable role... In EVERY group, company, organization and department. Unless you are talking a one-time, single-use project, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, 'What are you really trying to accomplish here? And is there a different way to look at it?' This Self-Assessment empowers people to do just that - whether their title is entrepreneur, manager, consultant, (Vice-)President, CxO etc... - they are the people who rule the future. They are the person who asks the right questions to make Affinity Designer investments work better.

This Affinity Designer All-Inclusive Self-Assessment enables You to be that person. All the tools you need to an in-depth Affinity Designer Self-Assessment. Featuring 967 new and updated case-based questions, organized into seven core areas of process design, this Self-Assessment will help you identify areas in which Affinity Designer improvements can be made. In using the questions you will be better able to: - diagnose Affinity Designer projects, initiatives, organizations, businesses and processes using accepted diagnostic standards and practices - implement evidence-based best practice strategies aligned with overall goals - integrate recent advances in Affinity Designer and process design strategies into practice according to best practice guidelines Using a Self-Assessment tool known as the Affinity Designer Scorecard, you will develop a clear picture of which Affinity Designer areas need attention. Your purchase includes access details to the Affinity Designer self-assessment dashboard download which gives you your dynamically prioritized projects-ready tool and shows your organization exactly what to do next. You will receive the following contents with New and Updated specific criteria: - The latest quick edition of the book in PDF - The latest complete edition of the book in PDF, which criteria correspond to the criteria in... - The Self-Assessment Excel Dashboard - Example pre-filled Self-Assessment Excel Dashboard to get familiar with results generation - In-depth and specific Affinity Designer Checklists - Project management checklists and templates to assist with implementation INCLUDES LIFETIME SELF ASSESSMENT UPDATES Every self assessment comes with Lifetime Updates and Lifetime Free Updated Books.
