

high school and early tertiary level for the successful completion of most tasks and assignments. It covers a wide range of skills from effective essay and report writing, to working with and evaluating different kinds of information and data, effective summarising and note-taking, as well as the skills required for more practical tasks such as conducting surveys, presenting orals, creating project displays, and so on. This book aims to offer practical skills education, whilst encouraging the vital practice of critical thinking, each step of the way. The book also aims to promote standardisation of skills within all schools and across all grades so that teachers and learners alike can start working from the 'same page'. Standardising skills helps eliminate the confusion arising out of conflicting skills instruction and helps learners know what should be presented in any task or assignment. The book is a listening and speaking textbook for non-native learners and speakers of the English language, especially those within the West Africa Examinations Council catchment areas. It comprises of 11 chapters, each of which discusses an aspect spoken English beginning with the speech sounds. At the end of each chapter, there is a trial exercise for users to practice. The book comes with 165 audio files to support the listening and speaking activities from the first to the last chapters.

It's the revolutionary English language arts study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace English Language Arts . . . takes students from grammar to reading comprehension to writing with ease, including parts of speech, active and passive verbs, Greek and Latin roots and affixes; nuances in word meanings; textual analysis, authorship, structure, and other skills for reading fiction and nonfiction; and writing arguments, informative texts, and narratives. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

organized, easy-to-read format, this affordable guide contains everything an undergraduate nursing student needs to know from the first day of school through the NCLEX-RN. The second edition is updated to mirror the new NCLEX-RN test plan and includes critical new information about medications, lab values, assessments, cultural considerations, and emerging disorders and viruses. It includes a completely new section on hematological disorders, two new chapters on Emergency Nursing and anxiety-reducing Test-Taking Strategies, and psychiatric content that corresponds to the DSM-V. The guide closely follows the standard nursing curriculum and is designed as a reference for every core nursing course. To maximize successful exam preparation, the text highlights important material most likely to appear on the NCLEX-RN with a “TQ” (test question). Chapters are organized in a clear, consistent format with information presented in friendly conversational style—much like notes that students are likely to take. For every disease presented there is a definition, triggers, symptoms, and nursing care. Nursing students no longer need to be burdened with the substantial cost of purchasing individual study guides for each topic, since all of the information they need is contained in this compact, pithy, affordable resource. New to the Second Edition: All content is updated to reflect new NCLEX-RN test plan Completely new section on hematological disorders New chapter on Emergency Nursing New chapter on anxiety-reducing Test-Taking Strategies New and Updated information on drugs, lab values, emergent diseases and conditions New information on cultural diversity New psychiatric content that reflects the DSM-V
