

Focus On Grammar 2 4th Edition

180 Days of Writing is an easy-to-use resource that provides fourth-grade students with practice in writing argument/opinion, informative/explanatory, and narratives pieces while also strengthening their language and grammar skills. Centered on high-interest themes, each two-week unit is aligned to one writing standard. Students interact with mentor texts during the first week and then apply their learning the next week by practicing the steps of the writing process: prewriting, drafting, revising, editing, and publishing. Daily practice pages make activities easy to prepare and implement as part of a classroom morning routine, at the beginning of each writing lesson, or as homework. Genre-specific rubrics and data-analysis tools provide authentic assessments that help teachers differentiate instruction. Develop enthusiastic and efficient writers through these standards-based activities correlated to College and Career Readiness and other state standards.

Focus on Grammar3Pearson Education ESL

Introduces new adult and young adult learners to English for everyday situations, such as solving problems with co-workers, returning items to a store, and conversing with friends.

Interchange Fourth Edition is a fully revised edition of Interchange, the world's most successful series for adult and young-adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar practice, and opportunities to develop speaking and listening skills. Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-

step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone® and Android® lets students easily navigate Student Book audio clips on their phone or tablet. Updated for the Fifth Edition, MyEnglishLab: Focus on Grammar offers students engaging practice and video grammar presentations anytime, anywhere with immediate feedback and remediation tasks to help promote accuracy. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

This language course for 6-11 year olds provides a straightforward, practical approach to teaching essential grammatical concepts step-by-step. The series consists of five pupil books which are packed with simply presented differentiated grammar activities. Each unit focuses on one grammatical concept, presented and explained clearly and concisely with the help of easy-to-understand illustrations, followed by practice, reinforcement and extension exercises. Two progress tests for each book review and consolidate pupil learning. One practical teacher's guide for the whole course provides explanations, background notes and answers for every pupil book, photocopiable individual and class record sheets for assessment, and support for teachers in introducing key grammatical concepts to children. This course is fully referenced to NLS framework objectives for additional lesson-planning support.

Nitty Gritty Grammar, Second Edition, focuses on essential areas of English grammar that cause difficulty for developing

writers. This Teacher's Manual provides teaching suggestions, hints about trouble spots and how to handle them, additional examples for use in presenting the grammar points, and a complete answer key.

Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Interchange Fourth Edition interleaved, spiral-bound Teacher's Edition with Assessment Audio CD/CD-ROM, Level 1 features complete teaching instructions, optional activities, audio scripts, language summaries, and Student's Book and Workbook answer keys. The Assessment CD/CD-ROM provides a complete assessment program, including oral and written quizzes, as well as mid-term and final tests in printable PDF and Microsoft Word formats.

The Interchange Fourth Edition interleaved, spiral-bound Teacher's Edition with Assessment Audio CD/CD-ROM, Level 2 features complete teaching instructions, optional activities, audio scripts, language summaries, and Student's Book and Workbook answer keys. The Assessment CD/CD-ROM provides a complete assessment program, including oral and written quizzes, as well as mid-term and final tests in printable PDF and Microsoft Word formats.

Business Plus is a three-level, integrated-skills, business English course, from A1 (false beginner) to B1 (pre-intermediate) levels. Each level of the Student's Book has 10 units. Designed to be easy and enjoyable to teach, each unit features integrated skills and language practice. Units also include cultural awareness sections that connect learners to their region and beyond. In addition, TOEIC-style practice sections allow students' progress to be measured.

The grammar of focus has been studied in generative grammar from its inception. It has been the subject of intense, detailed cross-linguistic investigation for over 20 years, particularly within the Principles and Parameters framework. It is appropriate at this point, therefore, to take stock. Appraisal at this particular point is all the more legitimate because it comes at a time of general evaluation of the results of the profound activity that has characterized the Principles and Parameters framework. This general assessment has produced a radical new direction within that framework. The volume starts off with an introductory chapter that aims to provide an outline for the assessment, to be followed by an overview of the evolution of the study of focus in generative grammar, and a recapitulation of the principal issues associated with focus. These issues are taken up in the remaining chapters of the book, where various grammatical means of marking focus (as well as grammaticalization of focus marking) are analyzed in a wide variety of languages. Written for teenagers, English in Mind creates an inspiring learning experience for secondary students. Everything, from the choice of imaginative topics, texts and exercises to the attractive design is perfectly matched to students' interests, age and ability. It provides a solid basis for effective language learning through a strong focus on grammar and vocabulary. Flexibility and support are offered in the form of photocopiable activities and tests in the Teacher's Resource

Pack, 'EiMTV' DVDs, Workbook CD-ROMs and the extensive free worksheets, tests, wordlists and resources on the website. Each level of the course provides 80-90 hours of work with the possibility of extension. It can be used with mixed-ability classes. The Starter level is for complete beginners and Level 1 is for elementary students and contains a 16-page starter section to revise key language. Levels 2 to 5 take students from pre-intermediate to advanced level.

Collins Primary Focus: Grammar and Punctuation Pupil Book 2 is aimed at ages 8+. Presented in a clear and colourful format, each grammar concept is supported by visual cues. Follow-up activities allow children to develop grammar and punctuation skills at different levels. Progress units provide opportunities for assessment and consolidation. • Concepts reappear in each level to build confidence, reinforce learning and add complexity • Demonstrates clear links between grammar and punctuation • Supports all ability levels with a progression through solid practice of the core concept to using grammar and punctuation in the context of more extended writing • Engages all children with an updated design and a range of exciting, new artwork

Verbal Ability (Grammar & Vocabulary) is a very important component of any MBA entrance exam. Good verbal skills are required not only to crack the exam but it forms an essential component which decides your success or failure in the corporate world. • The Verbal Ability section focuses on Basics of English Grammar, Vocabulary, Common errors.. • Each chapter consists of: 1. Theory with Illustrations 2. Foundation Level Exercise 3. Standard Level Exercise 4. Expert Level Exercise 5. Solutions to the 3 levels of exercises-Foundation Level, Standard Level and Expert Level. • Book contain past questions of various MBA entrance exams like CAT/ GMAT/XAT/ IIFT/ FMS/ CMAT/ MAT.

"A unique four-step approach, moving students from context into communication [with] the full integration of language skills providing a complete program for language learners [and] a variety of ongoing assessment tools [to] ensure that progress is measurable."--Page 4 of cover.

Part 1 with MyEnglishLab authored by Irene E. Schoenberg.

Focus on Grammar series is more practical and accessible than ever. Known for its focus on English grammar through contextualized listening, speaking, reading, and writing activities, this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them.

Recent SLA research recognizes the necessity of attention to grammar and demonstrates that form-focused instruction is especially effective when it is incorporated into a meaningful communicative context. Designed specifically for second-language teachers, this text identifies and explores the various options for integrating a focus on grammar and a focus on communication in classroom contexts and offers concrete examples of teaching activities for each option. Each chapter includes a description of the option, its theoretical and empirical background, examples of activities illustrating in a non-technical manner how it can be implemented in the classroom, questions for reflection, and a list of useful resources that teachers can consult for further information.

The Workbook accompanying each level of Focus on Grammar provides additional exercises for self-study of the target grammar for each unit. Tests included in each Workbook provide students with additional opportunities for self-assessment. Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 4 Student's Book containing games, extra exercises and videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.

This brand new edition of English in Mind revises and updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Teaching English to the World: History, Curriculum, and Practice is a unique collection of English language teaching (ELT) histories, curricula, and personal narratives from non-native speaker (NNS) English teachers around the world. No other book brings such a range of international ELT professionals together to describe and narrate what they know best. The book includes chapters from Brazil, China, Germany, Hong Kong, Hungary, India, Indonesia, Israel, Japan, Lebanon, Poland, Saudi Arabia, Singapore, Sri Lanka, and Turkey. All chapters follow a consistent pattern, describing first the history of English language teaching in a particular country, then the current ELT curriculum, followed by the biography or the autobiography of an English teacher of that country. This consistency in the structuring of chapters will enable readers to assimilate the information easily while also comparing and contrasting the context of ELT in each country. The chapter authors--all born in or residents of the countries they represent and speakers of the local language or languages as well as English--provide insider perspectives on the challenges faced by local English language teachers. There is clear evidence that the majority of English teachers worldwide are nonnative speakers (NNS), and there is no doubt that many among them have been taught by indigenous teachers who themselves are nonnative speakers. This book brings the professional knowledge and experience of these teachers and the countries they represent to a mainstream Western audience including faculty, professionals, and graduate students in the field of ESL; to the international TESOL community; and to ELT teachers around the world.

Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Improve Your English Grammar Anywhere, Anytime! Clear, contextualized, and interactive, the five-level Focus on Grammar Interactive provides a communicative review of English grammar that covers all language skills through a comprehensive, motivating, and fun practice of grammar points and skills. Focus on Grammar Interactive is now available online. Students can log in from home, from the lab, or from any location with Internet access. Teachers can manage their class, set assignments, and monitor students' progress with the program's easy-to-use management tools. The Focus on Grammar Interactive online course mirrors the syllabus of the best-selling textbook series, Focus on Grammar, Third Edition. Features Access anywhere, anytime – Your students log on from any computer anytime, offering flexibility and convenience. Easy to use – The navigation is simple and intuitive. Ongoing student assessment allows teachers and students to monitor student progress. Automated feedback guides students' skill development. Grammar Notes help learners understand cultural differences and learn a new language within a broader social context. Abundant contextualized exercises—including grammar, reading, listening, dictation, and speaking activities—provide students with extensive and meaningful lab practice. Target structures are presented in full reading and listening passages to help students discover the grammar. Dictation exercises provide students with controlled listening and writing practice. Speaking exercises give students the opportunity for further oral practice of the vocabulary, grammatical structures, and themes introduced in the unit. Review quizzes and reports help students monitor their own progress and work. Additional exercises for remedial practice are provided for each grammar point so that students can work on improving weaker areas. A new From Grammar to Writing section provides students with additional writing practice based on unit topics through a series of controlled exercises leading to authentic pieces of writing that can be submitted for grading. Engaging games provide fun opportunities to review key structures. Additional support is provided by a wide range of easy-to-access resources, including grammar charts, grammar notes, glossaries, and appendices. The new online version puts you in charge! Study plans: Customize the course syllabus to meet your curriculum needs. Progress reports: View detailed reports displaying “time on task” as well as practice, quiz, and test scores. E-portfolios: Monitor and assess students' progress on written assignments electronically. System Requirements For PC

Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Student's Book A, Level 2 builds on the foundations established in Level 1 for accurate and fluent communication, extending grammatical, lexical, and functional skills. Student's Book A, Level 2 contains units 1-8, the first half of the full Student's Book, progress checks, additional Interchange activities, and a Grammar Plus section that provides additional grammar explanations and practice. Included is a Self-study DVD-ROM that provides the full class video and extra practice with vocabulary, grammar, speaking, listening, and reading.

Ventures is a six-level, standards-based ESL series for adult-education ESL. The interleaved Teacher's edition walks instructors

step-by-step through the stages of a lesson. Also included are suggested times for exercises, teaching tips, expansion activities, cultural information, and ways to expand a one-hour lesson to fill two or three instructional hours. The CD-ROM contains reproducible activities for individual, pair, and group work; tests; and audio for tests.
