Deputy Chief Constable Bob Skinner has a lot on his plate. One of the world's most ruthless terrorists is on his way to Edinburgh with only one thing on his mind: the forthcoming conference of world Heads of Government. While all eyes are focused on the terrorist threat, a terminally ill woman is found dead - an apparent suicide. But the marks of an assisted death are discovered and this seemingly random death soon proves to be the beginning of an ominous pattern. For Skinner, the desperate race to find a heartless terrorist mixes uneasily with the search for a mercy killer- a search which takes on a poignant personal significance. And it's not long before Skinner himself will be staring death straight in the eye...

The Book of Whispers is the story of a young man's courageous battle with bipolar disorder. It was a battle he lost. But not without a fight. Jake McClain Driver was a talented, passionate, brilliant young man with a tortured mind. His creativity and wit were astonishing. He was a gifted writer and played amazing guitar. He wrote songs and poetry, painted, drew and made pieces of art. He had a great sense of humor, an innate ability to connect with others, and as a result, he loved and was loved. Jake also had an illness. One moment he was sweet, loving and engaging. In the next, he was agitated, erratic and disruptive. He worked hard to overcome his problems. He went to doctors who prescribed treatment plans involving medications and therapy. He was hospitalized multiple times. He was shot by a police officer. He served time in jail. Finally, at age 26, he took his own life. Among Jake's creative work was a series of poems he called The Book of Whispers. No one knows why he gave his book of poetry that name, however, those of us who were close to Jake believe his verses may have been whispers to him that helped silence or quiet the chaos in his head that he experienced with his disease. Through his poetry Jake weaves his own personal experience as he battles demons and pain that might seem unfathomable to others. Some of the verses are whimsical and downright funny. Others are thought provoking. A few are sad. In preparing to publish Jake's book, the goal was simply to share his poetry with others. As the project progressed, we came to understand that his poetry is more meaningful when read within the context of Jake's all-too-short life. We hope that Jake's story makes a difference to others. If even one person who is experiencing the ravages of mental illness - their own or that of a loved one - is helped by hearing about Jake's journey or by reading his poetry, the effort to publish it will have been worth it.

The truth is complicated. On September 11th, 2001, Kris Caldera was a junior member of the CIA's Alec Station, the unit dedicated to finding and stopping Osama Bin Laden. They failed. Ten days later, he was on the ground in Afghanistan with a Special Forces team, driven to avenge the ghosts that haunted him and the nation he'd let down. On the battlefield, he meets Special Forces Sergeant David Haddad. David - Arab American, Muslim, and gay - becomes the man Kris loves, the man he lives for, and the man he kills for, through the long years of the raging wars. David Haddad thought he'd be an outsider his whole life. Too American for the Middle East, too Arab for America, and too gay to be Muslim. It took Kris to bring the parts of himself together, to make him the man he'd always wanted to be. But the War on Terror wreaks havoc on David's soul, threatening to shatter the fragile peace he's finally found with Kris. When a botched mission rips David from Kris's life, Kris's world falls into ruin and ash. A shell of the man who once loved with the strength to shake both the CIA and the world, he marks time on the edges of his life. The days bleed together, meaningless after losing the love of his life. After being captured, tortured to the edge of his life, and left for dead by his comrades, David doesn't know how much of himself is left. He vanished one day in the tribal belt of Pakistan, and the man who walks out almost a decade later is someone new: Al Dakhil Al-Khorasani. But strange rumblings are whispering through the CIA. Intelligence from multiple sources overseas points to something new. Something deadly, and moving to strike the United States. Intercepts say an army from Khorasan, the land of the dead where the Apocalypse of Islam will rise, is coming. And, at the head of this army, a shadowy figure the US hasn't seen before: Al Dakhil Al-Khorasani. David is coming home.

He who Whispers

Does God really speak to us today? Linnea became desperate to hear him, to learn to listen for his voice instead of just mouthing prayers. She found that the spiritual disciplines of solitude and silence opened the way for her to practice listening, and she chronicled her journey in poems. This collection shares key elements of that journey. Come listen with her and find consolation, hope and rest!

This practical, personal prayer guide contains stories, teachings, and tips to help jumpstart the prayer journey of readers, whether they are new to prayer or lifelong prayer veterans. The author's prayers took her halfway around the world to work with the destitute and poor in African countries as she became the answer to someone else's prayers. Most books on prayer describe answers to the author's personal prayers. This book not only does that but also shows how the author became the answer to other people's prayers. Marilyn tells her story of how as an ordinary mom, she has moved from her own neighborhood to the inner city to genocide-torn Africa. She also tells of meeting two African presidents and becoming deeply involved with the poor in Sudan. But much more than her personal story, this book offers a multitude of practical helps for readers to jumpstart their own prayer journey with step-by-step instructions, training, and tips. Inspirational principles—such as "Double for Your Trouble," which teaches that those who suffer pain and trouble are often doubly blessed by God—ground readers and equip them for prayer. And inspirational stories—such as "Pennies from Heaven," which tells how the author found pennies everywhere only to discover that God was trying to tell her something—motivate readers to move forward in their own prayer journey. Finally, a twenty-page, eight-week Leaders Study Guide is included at the end of the book for those who want to share and teach this book's methods to others.
