

Mouse is on stage! A picture book that makes people feel warm from the bottom of my heart. The big balloon is filled with my thoughts. Little Mouse gave a big balloon to Little Mouse, saying: Happy birthday! This balloon represents my heart! Wow! The gift from Little Mouse is great & big! Huh? But how is it getting smaller and smaller...Wow! It has horns! It turned out that there was a letter in the big balloon, which read: Sister Mouse, I want to be with you forever! Sincerely, Brother Mouse
