

## Passing Your Itil Foundation Exam Best Management Practice

IT certification exams require a lot of study and practice. Many of our customers spend weeks, if not months preparing for the exam. While most classroom training and certification preparation software do a good job of covering exam material and providing practice questions, summarization of the highlights and key study points is often missing. This book is intended to bridge the gap between preparation and the final exam. It is designed to be an easy reference that will walk you through all the exam objectives with easy to remember key points required to successfully pass the certification exam. It reinforces the key points, while helping you focus on the exam requirements. The benefits are multifold and can help you save hours of exam review, while keeping key concepts fresh in your mind before the exam. This critical review will help you with the final exam preparation touches and give you the confidence needed for the big day. Benefits of this exam countdown and quick review guide: 1. Focused approach to reviewing exam material - review what you must know 2. All key exam concepts highlighted and reinforced 3. Time saving - must know facts at your finger tips in one condensed version 4. Detailed explanations of all possible answers to practice questions to ensure your grasp of the topic 5 A full length simulation exam to determine your exam readiness

The ITIL (Information Technology Infrastructure Library) V3 Foundation Complete Certification Kit is the most complete guide for anyone involved in IT Service Management and who are aiming to take the ITIL V3 Foundation exam, whether they be first-time ITIL learners or seasoned IT professionals. Still a number one best-seller for IT Management from Amazon.com to Barnes and Noble and many more, this 2009 edition has refreshed the study guide and online learning program, with its updated, inspiring, and detailed plan for passing your ITIL V3 Foundation exam on the first attempt. With new examples, instructions, and cautionary advice, the ITIL V3 Foundation Complete Certification Kit is, to quote numerous of ITIL certified clients, "the gold standard of ITIL Certification." As the industry standard in terms of Process, Service and Lifecycle Management for IT, the ITIL Foundation exam is the most popular entry-level certification, particularly for individuals switching from another career to IT. This kit prepares you for the certification exam by offering valuable information on the ITIL framework, ITIL certification and IT Service Management as a practice. This certification kit contains both the study guide and access to our online program that together provides everything you need to prepare for the ITIL V3 Foundation certification exam, including: - Real-world scenarios that describe what you've learned in the context of service solutions. These include thought provoking questions to challenge your thinking and understanding. - Section reviews for each chapter to help you zero in on what you need to know and includes practice exam questions. - A Real World Guide to ITILV3 Skills. Key information and real world examples organized around the actual day-to-day tasks and challenges you'll face in the field of IT Service Management. - Ability to assess what you've learned with challenging ITIL Foundation exam style questions. - Adobe Flash presentations that you can view and replay as many times as required, facilitated by certified ITIL trainers who explain each of the topics and concepts of ITIL. - Materials developed on the specific syllabus and exam criteria - so that you can be confident in achieving exam success on your first attempt. Editorial Reviews - Read the book, took the online course and test, PASSED. - This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam. Highly recommended. - I've been an IS project manager for over 10 years. I've studied ITIL materials in preparation, but took no courses or workshops. I studied this book and its accompanying course for 10 days immediately preceding my exam. Read the book about 3 times. - I took the ITIL Foundation exam and got 98% of the questions correct. I think that the study tips in the book and course helped me get about 15-20 questions right that I might have otherwise missed. (your mileage may vary). - The book and course made me confident in sitting the exam, and is the best such book that I've come across. - Worth it especially since you have access to the online learning component as well. - Good focus on ITIL's processes (things important to ITIL Foundation and passing the test that your experience in IT may not help you) - Highly recommended, I passed in one go!

first attempt. This new Expanded and Updated edition includes: - Content updated to match syllabus 4 - processes and other content areas all provided for in both the book and elearning presentations - More in-depth exam prep - eg. answer guides for all exam questions - More content depth in a number of areas Editorial Reviews: - Read the book, took the online course and test, PASSED. - This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam. Highly recommended. - I've been an IS project manager for over 10 years. I've studied ITIL materials in preparation, but took no courses or workshops. I studied this book and its accompanying course for 10 days immediately preceding my exam. Read the book about 3 times. - I took the ITIL Foundation exam and got 98% of the questions correct. I think that the study tips in the book and course helped me get about 15-20 questions right that I might have otherwise missed. (your mileage may vary). - The book and course made me confident in sitting the exam, and is the best such book that I've come across. - Worth it especially since you have access to the online learning component as well. - Good focus on ITIL's processes (things important to ITIL Foundation and passing the test that your experience in IT may not help you) - Highly recommended, I passed in one go!
