Faye Morgan - beautiful, independent and lonely - runs her family's small shop of magical curiosities like her mother and grandmother before her. She longs for an escape, unaware of the dark power that flows through her veins... When Faye casts a spell into the sea one cold morning, her call brings her to the attention of the wild and impulsive faerie king Finn Beatha. Finn pulls Faye into an intoxicating new world, both magical and treacherous... and as bewitching as Finn himself, who seems to command every part of her when he's near. As Faye's passion for Finn grows, so does her fear that she might be there for some darker reason... and that she could be trapped in Faerie forever. Is there something in Faye's past connecting her to this place, to Finn? And dare she find out more when every moment draws her further away from her old world? The Shadow Witch A wonderful story that takes place inside a fireplace. Fanciful and descriptive. Long ago, in the Land of Shadows, lived the Shadow Witch, the one beautiful and loving creature in all that dim and darksome land that lies away from the Land of Fire, and between it and the Chimney Back. Close to her domain is the great Plain of Ash, where the giant, Curling Smoke, rises, where the crafty Ash Goblin lurks, where the boisterous Wind in the Chimney swoops down from out the Chimney Mouth. Here, I will tell you the story of how the Shadow Witch came to leave that grim land with its evil fairies, and why it is that she now dances with happiness amid the good fairies of the Fire, in the Land of Glowing Embers.

Salem has a dark history, but the lines are skewed between truth and legend. There's more to the Witch City than what the history book say. Are you ready for your next magical adventure? Okay, so I'm in trouble. Big trouble. I'm broke. Worse, my boyfriend of five years just dumped me. What do I do? I move in with my three eccentric aunts in their family home, Davenport House. Sounds exciting, only this massive farmhouse likes to eat men. If I were a regular human, I would have run out screaming like a banshee. As a witch-I do absolutely nothing. Hey, maybe they deserved it? I'm back in Hollow Cove, the flamboyant paranormal community, where nymphs, werewolves, trolls, shifters, witches, and other paranormals live comfortable lives away from prying human eyes. As I settle into my new life, I decide to accept my aunts' proposal and join the family business-the business of protecting our town and killing anything that would want to harm it. But I've been away from the paranormal world for quite some time, and my magical abilities are a little bit rusty. Heck, they're practically invisible. Things soon spiral down the crapper when people in our community start dropping like flies. And when demons start showing up in Hollow Cove, it's up to me to take care of them. Permanently. This is going to be awesome. I just know it. Get ready for this heart-pounding and laugh-out-loud magical adventure! Shadow Witch is the first novel in The Witches of Hollow Cove series. Is shamanism all that different from modern witchcraft? According to Christopher Penczak, Wicca's roots go back 20,000 years to the Stone Age shamanic traditions of tribal cultures worldwide. A fascinating exploration of the Craft's shamanic origins, The Temple of Shamanic Witchcraft offers year-and-a-day training in shamanic witchcraft. Penczak's third volume of witchcraft teachings corresponds to the water element - guiding the reader into this realm of emotion, reflection, and healing. The twelve formal lessons cover shamanic cosmologies, journeying, dreamwork, animal/plant/stone medicine, totems, soul retrieval, and psychic surgery. Each lesson includes exercises (using modern techniques and materials), assignments, and helpful tips. The training ends with a ritual for self-initiation into the art of the shamanic witch - culminating in an act of healing, rebirth, and transformation. COVR Award Winner
