A veteran to phenomenal literary success, Sue Monk Kidd certainly knows how to captivate audiences with her storytelling. However, in *The Invention of Wings*, Kidd not only tells a story-she also vividly exposes history. Set in South Carolina in the nineteenth century, Kidd's captivating novel weaves both fact and fiction together and, in the process, pulls back the veil on the devastating prejudices of the South. In *The Invention of Wings*, Kidd intricately illustrates the Grimké sisters' relentless fight for justice and equality amidst copious opposition and their determination to stand for the oppressed among them. Kidd didn't set out to write about the Grimké sisters, but their story found her. Furthermore, Kidd, originally from the South, had a unique desire to unearth the story of the Grimké sisters and reveal that standing for what is right is difficult, but not impossible. Her journey to completing *The Invention of Wings* was long and strenuous, but her novel is a work of art that people not only should read, but also need to read. Thanks to Kidd, *The Invention of Wings* is soaring into readers' hearts and minds. Experience: The Behind the Story Effect After reading a BTS... It is her eleventh birthday and she is being promoted out of the nursery into her own bedroom. A flashback reveals that as a small child Sarah witnessed a slave being whipped. Seeing this event was so traumatic for Sarah that she developed a stuttering problem with her speech. Handful Sarah's mother ties purple ribbons around Handful's neck and then presents her as a birthday gift to Sarah to be her own personal handmaid. Sarah doesn't want to accept the slave stating she doesn't need a handmaid. Handful is so upset and scared that she ends up wetting herself in front of the party guests. Sarah's mother is upset by both Sarah's refusal of her birthday gift and Handful's accident. Sarah Sarah's mother forces Sarah to write notes of apology for her rudeness to all of the guests who attended her birthday party. Sarah gets the idea that, although her mother wouldn't let her return Handful, perhaps she can grant Handful her freedom. She sneaks down to her father's library to search his law books. She finds the correct wording to write a release to grant a slave freedom. She copies the words, fills in Handful's name, and signs her own name to the document. She then leaves the document on her father's desk. That night is the first time Sarah feels that she is destined for something important. She dreams of being a lawyer like her father. She cuts a silver button from her birthday dress and saves it as a way of marking the occasion. The button comes to represent this feeling she has about her destiny. When Sarah gets up in the morning, she finds the document torn in two on the floor in front of her bedroom door...
