More than 50,000 references with their contexts and over 2,000 exhaustive entries make this compact NIV concordance a handy reference tool.

Are the Jewish arguments against belief in Jesus as mankind's Savior any good? Is Jesus Christ the promised Messiah of the Old Testament's prophecies? Is Christianity derived from ancient Roman or Greek pagan mystery religions? Is the New Testament historically reliable? Was Jesus of Nazareth God according to the New Testament? Did Gnosticism influence Christianity? Since some 185,000 Americans have converted to Judaism according to a 1990 survey, the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly. Using solid scholarship and rigorous logic, *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics, such as Samuel Levine, Michael Drazin, Tovia Singer, and Hyam Maccoby. This book demonstrates that the New Testament is historically reliable, denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices, shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies, and proves that the New Testament teaches the Deity of Christ. This book is intended for both Christians perplexed by the arguments of Jewish friends, coworkers, and relatives, and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also.

NEVER BEFORE RELEASED Moses, Abraham, Isaac, Jacob and David, did they encounter the 3 powers in heaven known as the trinity? Does the Old Testament really teach such a doctrine? This book will give you an introduction and understanding to the belief of Poly-Monotheism, three persons one God, directly from the Hebrew Bible known as the TaNaKh. Never before has a book been published that goes through the Torah and the Prophets revealing the plural nature of YHWH Elohim until now. Before the Father, the Son and the Holy Spirit there was YHWH, Word YHWH and Messenger YHWH working as one through Moses and the Prophets. Learn the foundation of the New Testament for three who are one in YHWH Elohim.

More than 300 Bible or New Testament translations, including the popular King James Version, have been produced in English in the past 600 years. These various translations, both obscure and well-known, were undertaken by diligent individuals working either alone or in committees known to number more than 100. This reference work provides information about the men and women who produced English language translations. Arranged alphabetically by surname, each of the 346 entries includes biographical and vocational information; notes on the various editions produced; samples of their translation; and other pertinent facts. In cases where translations were done by committee, the chairpersons and project initiators are covered. Important anonymous translations are also included.

The Hebrew Bible's fascinating narratives about women have occasioned some of the most important biblical scholarship of the last generation. Lillian Klein contributes to that wealth with her absorbing studies of key figures in the narrative material: Deborah, Jephtha's daughter, Delilah, Jael, the whore of Gaza, Kaleb's daughter Achsah, Hannah, Esther, the wife of Job, David's wife Michal, and Bathsheba. With a marvelous eye for the telling detail -- or its absence -- Klein examines the biblical portraits, often unfortunately brief, of these women and the dynamics of gender, power, and honor at work in their stories. A remarkably lucid and careful scholar, Klein has surfaced the underlying and ironic ideals of womanhood in a society that both honored and marginalized women in stories of seduction and rivalry, deviation and obedience, public shame and private power.
