Two hard-hitting books conveniently packed in one powerful bundle! This bible on WICCA spells contains two manuscripts conveniently rolled up in one. This is an incredible value for money offer! Lots of useful information and tips for beginners about the universe of the magic present within us all. Every time we invoke magic and when access it, it allows us to connect to the natural world, attract to us the opportunities, and create the change we need in our lives. You will find everything in one consolidated book! The Wiccan religion was hailed as one of the most popular religions in the mid 20th century. With its inclination towards equality and witchcraft, it gained a lot of movement and traction and attracted a large number of followers. However, as Christianity developed, Wicca, like many other pagan religions, was persecuted. The traditions that kept the Wiccan flame alive were uprooted and discarded as Christianity expanded all over the globe. For instance, goddess Brigita, the goddess of fire, was hailed as one of their Saints by Christianity, claiming that she was the midwife of the Virgin Mary. Would you be interested in a complete guide with a practical handbook on the Wiccan path, Wiccan magic, spells, rituals, and witchcraft? Provides an overview of the earth-oriented religion, featuring solitary rituals for the Esbats and Sabbats, exercises to help develop magical proficiency, spells, and recipes. Set forth on the Witch's path—this friendly introductory guide presents the key beliefs and practices of Witchcraft and offers step-by-step instruction on how to become a Witch. Best-selling authors Amber K and Azrael Aryn K have nearly fifty years of Craft experience between them. They've taught hundreds of students the basics of Witchcraft, and now they're offering readers the same clear, structured guidance here. This Witchcraft book teaches you everything you need to know about Craft essentials: Ritual tools Daily practices Ethics Spellcasting Deepening your connection to nature Divination and dreams Sabbats and Esbats The Wheel of the Year Gods and Goddesses Pentagrams and other Craft symbols Training, initiation, and degrees Learn about Witchcraft as a way of life, how to locate a coven or work as a solitary, and—most importantly—how to grow magickally and spiritually.

The truth is: Wicca is one of the most popular neo-pagan religion, which emphasizes upon the peaceful relationship between the humans and nature. Wicca is a religion that professes equality between men and women and emphasizes on a healthy co-existing relationship between humans and nature. Apart from this, the Wiccan philosophy is also largely based on magic and spell-casting. The Wicca religion also emphasizes and encourages on the transmigration of souls. There are many different interpretations of the Wiccan religious texts, but the general viewpoint is the reincarnation of a soul is one of the pillars of the Wiccan way. One of the most common Wiccan theory is that when a person dies, their soul will temporarily reside in what they call 'the land eternal summer', where they will prepare and wait for their next incarnation. This is the main difference between Wicca and other traditional Abrahamic religions. Wiccans do not seek to fulfill their religious goals just to simply attain a sure place in a heavenly kingdom, or paradise. One of the main ethical laws of the Wiccan philosophy professes the following: do whatever you want upon earth as long as it does not harm others. This saves the religion from the problematic gap between the transcendent and the real worlds that other Abrahamic and Dharmic religions usually have. Based on all these interesting concepts and theories, Wicca is a religion that greatly fascinates scientists and professors who are given the enjoyable task of researching on the development of various kinds of religions. Wicca Starter Kit, a complete guide with a practical handbook on the wiccan path, wiccan magic, spells, rituals and witchcraft. Wicca is a neo-pagan religion that is heavily associated with magic and the Book of Shadows. Among one of the many things that fascinates people into studying about this religion is its philosophy of promoting equality between men and women and a harmonious relationship between humans and god. The presence of magic only adds to the fascination, as magic is one of the many things in life that still holds unraveled mysteries and interesting concepts. Apart from this, the Wiccan philosophies were way ahead of their time - professing harmony and equality during the olden times. The goal of the Book is simple: To help educate people about the traditional Wiccan ways, its history and also about the various Wiccan magic, spells, rituals and witchcraft. You will also learn: - Principle of Wiccan beliefs - Basics of Wiccan rituals - Basic tools for wicca - Types of Wiccan practices - Step by step guides to altars, casting a circle, and casting a spell.

The Heart of Wicca opens the invisible doorways that lead toward a deeper understanding of the mystery-filled world of Wiccan beliefs and practice. It takes us far beyond the currently popularized images and surface understanding into a world that few are privileged to enter. Ellen Cannon Reed guides us past misunderstanding and false conceptions

into the lifestyle, mind set, and religious dedication to spiritual growth that lie at the heart of this life-transforming practice. She talks about life in a coven, the magical family of brothers and sisters who love and care for one another, who work together magically, circle together, study together, celebrate and laugh together, and lift each other up when one falls. From the wisdom developed through many years of Wiccan practice, she talks about the nature and complexity of symbols, and explains how their layered, deeper meanings are vehicles of communication that bypass ordinary conscious thought and go directly to our deep or unconscious mind. She says that we can develop a personal relationship with the Deities, for that is the very soul of Wicca. Learning to honor the ancient Gods and Goddesses through study, meditation and other forms of magical or ritual dedication, opens up direct communication which leads to ever-increasing levels of healing and guidance. She discusses about practical issues--finding a teacher, coven leadership and tradition, training, rituals, the various types of initiation, the ethics of spell casting, and the importance of the Wheel of the Year (the eight Sabbats). The Heart of Wicca is like having a personal conversation with a wise crone.

Do you want to get started with Wicca, but you're not sure where to begin? Are you looking for a comprehensive, ultimate guide on magic, spells, crystals, herbs, and so much more? Author Sally Morningstar leads readers on enchanted journey of one of the oldest spiritual traditions known to humankind, providing an accessible introduction and how-to guide to all aspects of the Craft. Discover the roots of witchcraft and the meaning of what it is to be a witch, as well as seasonal cycles, rituals, spells, and practical magic. Learn how to tap into magic, re-empower yourself, connect with the natural world, and realize your dreams through ancient knowledge. In giving you a clear understanding of how to live your life following the principles of honoring the Earth, yourself, and others, The Way of the Witch explains many Wiccan practices and beliefs, including magical tools, the arrangement of an altar, and how to perform rituals and ceremonies. Learn how to develop and embody the powers of nature within your own being.

As a third-degree Gardnerian High Priestess and a former wife of celebrated Druid Isaac Bonewits, Deborah Lipp's life story is far from ordinary. But Merry Meet Again is more than just a memoir—it is a tribute to modern Paganism and a testament to one woman's persistence and strength. With deep reverence for the past, Lipp explores her spiritual path and describes her unique relationships with family, teachers, lovers, and friends, including icons such as Scott Cunningham and Timothy Leary. She details the ups and downs of Pagan parenting, and delves into the politics and personalities, the joys and sorrows that are found in Pagan gatherings around the world. Simple instructions and quick tips for rituals, spells, and magic are included throughout.

Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before launching into more complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

Improve health, attract wealth, strive towards happiness, go against the trend of transshipment! Set up candle formation and form prayer words to make a wish in order to accelerate the power of magical dreams and solve various problems that trouble you. With the energy of candles of different colors, placing them in the right position is enough to affect the energy state of yourself and external things to make you realize what you want and solve your upset problems. This is a classic candle.

Did you know that you are incredibly powerful? That you are full of light and energy and can attune yourself with nature to access ancient and powerful magic? It might sound a little like science fiction, but this is reality! Wicca is a religion and lifestyle that derives from some of the oldest practices of humankind, dating back to 30,000 years. These traditions and practices have survived, in one form or another, into the modern-day practice, where they can still be used to alter and change reality, in a sense. Learn about the balance between the Goddess and God as deities and how they exist within everything and everyone. Accessing that divinity is the source of magic and magical power. If you have a love for nature, a connection to spirituality, and a desire to discover yourself on a new level, Wicca could be the path for you. Find your empowerment; find yourself. If you've ever been curious about Wicca, this is the book for you! By reading this book, you will learn: ?What Wicca is ?What Wicca isn't ?The history of Wicca ?How to practice Wicca ?Tools and Arts of the craft ?Ritual ?What Magic is ?What spells are The world is much bigger than what we know. Learning how to expand yourself, your mind, and your personal power through magic is just one way to enter that larger world. Wicca isn't all about spells and magic, though; it is an entire lifestyle of peace, harmony, and coexistence. If these traits are qualities that you have or want to have in your life, then this book is a great starting point to take a look at what Wicca is and what it has to offer. Not only will you learn all about Wicca, but you will also know how to start on your Wiccan path. You will have access to unique and exclusive spells to start casting magic and access your inner divinity! So what are you waiting for? Scroll up and click the Buy Now button and begin on your Wiccan path today! Blessed be!

"In this particular book, you'll learn everything you need to know about Wicca traditions- including covens, circles, solitary practitioners, and eclectic witches"--Page 4 of cover.

I am a Traditionalist. A Traditional Wiccan High Priestess Witch. I am not a person with an Ivy League education. Nor am I a scholar with 6 or 7 degrees! I do not speak any language other than English, a few choice Spanish words and some pig latin. I don't use big fancy words where you have to have a dictionary to read the book and I don't use long, complicated sentences that you have to read 16 times to understand what I'm saying. I'm not a professional writer and even if I were, I felt this book needed to be written where anyone could read it without any difficulty no matter the level of reading one does or how long they've been on the path of Wicca. Most people will agree there have been many books written on the subject of Wicca. So many of them it can become confusing and frustrating for the Novice because most books are simply bits and pieces of Wicca thrown together coupled with a person's personal opinion and experience. There are many important details left out. Details that are inclusive in most Traditional Wiccan training. Keep in mind there's only one way to receive full training and it does not come from a book or from the internet. This book is different than your average how to book on Wicca. There are no spells. It is not about magic. There are no instructions on how to cast a Circle or how to call the quarters. There's plenty of books out there on all of those subjects. If that is the kind of book you were expecting, I am happy to inform you that it is not. This is a book that explains a (seemingly) fast disappearing perspective regarding important protocol and important elements that are missing in today's practices within the religion of Wicca in our American Wiccan communities today. A perspective (believed by many) that should return. The book also points out some of our problems and issues in the Wiccan community that are going on here today in the United States. Problems and issues that have arose since the occurrence of Wicca's massive growth spurt and the booming book and internet industry that surrounds it! This book is written based on my training, experiences, knowledge and information that I have personally gained over the years from walking and living the life of a Wiccan Witch. There is information contained within this book that you normally would not hear or know about Wicca unless you had (or have) a teacher. Teacher meaning a Traditional Wiccan High Priestess or Priest Witch to help you along, to guide, direct and train you. The sole purpose of this book is to give you some of that information that you would not receive without training, without an experienced High Priestess or Priest to give it to you. Much of it is information that you will not find in books and is vital to Traditional Wiccan practice. Some which is basic Wiccan protocol that has been passed down orally and/or verbally through the generations, some since the beginning of Wicca and its oral Traditions in the United States. Oral and verbal protocol that was (and still is) being given to Novices in their beginner level training in some of the working Traditional Covensteads. My hope is that it will provide the reader/s with a fresh (yet certainly not new) look at Wicca and hopefully help guide them in the direction that's most beneficial for them. If you find it to be controversial for, remember this is a perspective coming from a Traditional Wiccan Witch who has been formally trained in a Tradition of Wicca in a Traditional Wiccan Coven. Either way, I hope anyone who reads it will get something from it even if its just a small something and that it will help in some way as you step onto the path of Wicca or onto the next crossroads of your journey in Wicca. Before you begin to read this book, please understand that I am not staking any claims that I am the Wiccan Guru or the Grand Poohbah of Wicca! I have never claimed such nor will I ever claim such ! So please do not take my words out of context or twist them in any way! I ask that you understand and know that my words are in no way conveying that a person is not legitimately Wiccan or not legitimately practicing Wicca if they don't do things the way I explain in this book or if they do not practice the way I do! It is not a book that says do it this way and no other or that my way is the only way or the best way. Not at all. The book was written for the reader/s to understand Wicca from a Traditional perspective and to come to their own conclusions about what to do (if anything) after reading it. Again, this is a book written from my own training and experiences and from the knowledge I have gathered over the years of walking this path. If you have questions about something that is stated in the book, please refer to the Facebook page that is set up for discussion of the book. I am sure some folks will go on with their usual way of doing things, regardless of what I have to say. And I wouldn't expect anything more or anything less. I do not wish to complicate things for anyone. I am in hopes it will answer some questions or rid the reader of any preconceived ideas or confusion she/he might have, maybe even eliminate some of the incorrect information you have come across during your seeking and/or walk in the path of Wicca thus far. If nothing else, maybe it will provoke thought on some new (yet not new) ideas. Not following any protocol, not having any criteria, not having or abiding by any rules of any kind is leaving a door wide open for Occult mayhem. In my own personal opinion I feel we're not far from it, if not already in mayhem. I feel it is time we make bigger changes. Changes that will help Wicca grow and prosper in a more positive way. It is a vision of mine to see changes taking place in the Wiccan community, changes that will bring the Traditional practices of Wicca back where they use to be and as a result bring a successful religion to the lands we live and to the path and religion that I care so much about. Wicca is not the be all or end all of Occult paths. Wicca is just one Occult path out of many that a person may learn or take. Learning as much as you can about as many of them as you can is always encouraged. But if you are interested in Wicca (in particular) and you live in the United States, it is wise to heed the advice of the older, trained and more experienced long term members of the Wiccan community who have practiced (particularly here) in the United States. Due to the the love and passion I have for Wicca, I have been called to write this book. I would like to thank every person who has been with me through this journey because all of you have contributed in my writing it. Both directly and indirectly. A thank you goes out to those of you who have purchased the book. I hope you enjoy reading it as much as I enjoyed writing it. ****NOTE**** ; If you do not agree with something I have stated in this book and wish to debate it, please be an adult about it and show your level of spiritual maturity by writing your own book in rebuttle to it. If you have something to say in defense or do not agree with something and do not wish to write a book in rebuttle, please refer to the discussion page on Facebook that has been set up so we can talk about it. The one thing that I ask is that you have enough respect for me to not stoop to personal verbal attacks, my training or my own personal experiences and perspectives just because you don't agree with me! I would be most grateful for that! Thanks! Happy Reading! Rain Dove

Learn How To Perform Powerful Wiccan Spells & Rituals One of the most fun and rewarding aspects of the Wiccan path is the casting of spells for ourselves and for others. Magick is a powerful and natural way to bring us closer to the healing energies of the earth. Casting spells are a way that we formalize our intention and make our will known to the Universe. They act as a bridge between the unseen, metaphysical world, and the seen, practical, material world. We can use spells for many reasons - to heal ourselves and others, to rid ourselves of things we no longer want, or bring things we do want into our lives. We can use them to gain greater knowledge and power over ourselves and our environments, bringing favorable circumstances and rewards. Spells are an exciting and interesting way to delve deeper into your Wiccan practice. In This Potent 2 In 1 Collection You Will Learn About: The nature of Magick Magickal tools Setting up your altar Tips & guidelines for successful spellcasting Spells for abundance & wealth Spells for love & relationships Spells for health & happiness What to keep in mind when casting spells The phases of the moon & how they influence your spells Working specific with deities A list of plants and herbs for magickal working How to make magickal oils How to make magickal teas How to prepare magickal baths How to create enchanted pouches How to charge your herbs for magickal use How to cultivate and store herbs for maximum potency And more! Order now & explore the wonderful world of Wiccan spell casting! Become empowered and cultivate magic in your life! Through the power and wisdom passed down through the ages, take control of your life and create a lifestyle that suits fit

your highest intent and desires. Working with knowledge shared from various traditions, rituals and insights of the Wiccan way the Wiccan Book of Spells is truly the ultimate guide to cultivating a more magical, wholesome and enriching life. Whether you are an adept of the tradition or an initiate on the path unsure where to begin or never heard of Wicca before this will serve as your guide to becoming fully equipped with wisdom on the history of Wicca, tools, techniques and mindset that you need to support your own practice. We explore various forms of spellcraft that allow you to practice at any level, spells that can be practiced in privacy, or simply on the go. Perfect for finding deeper love and connection in life, applying to your own peace of mind or even cultivating a greater career path, thus enhancing your sense of self-worth in all aspects. Look within and allow the journey to begin: discover how to master the secret power of Wicca Today! Scroll to the top of the page and click the "Buy now with 1-Click" button.

Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain It is estimated that there are over 1 million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: "how do I start practicing Wicca?" The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned, you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled Starting Your Journey. In this particular book, you'll learn everything you need to know about Wicca traditions - including solitary practitioners, eclectic witches, covens, and circles. The Main Wiccan Traditions Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. If you want to start practicing magic, it can help to join like-minded individuals. Both covens and circles can provide you with a sense of belonging by joining a small Wiccan community. As well as the social aspect, they are a great place to acquire knowledge, and many will mark the important Wiccan dates - the sabbats and esbats - with rituals and celebrations. In this book, we'll be looking at everything you need to know about covens and circles, including their history, their structures, and how to join one. Don't worry, though - not everyone wants to be part of a community, and that's perfectly fine, too. In this book, we'll be discussing all of your options, including a solitary path. We'll also look at the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as a handful of less common traditions. You don't have to follow one of the traditions rigidly - and indeed, many Wiccans don't, choosing to become eclectic practitioners. If you need help finding your place within the Wiccan community, you're in the right place. Wicca: Finding Your Path will teach you everything you need to know about starting your own Wiccan journey, today!

Wicca for One The Path of Solitary Witchcraft Citadel Press

Discover your own magic and start learning how to live the Wiccan way: scroll to the top of the page and click on the Buy Now button!

Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain It is estimated that there are over 1 million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: "how do I start practicing Wicca?" The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned, you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled Practicing the Craft. In this particular book, you'll learn everything you need to know about Wicca traditions - including covens, circles, solitary practitioners, and eclectic witches. Wicca Covens and Other Traditions Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. If you want to start practicing magic, it can help to join like-minded individuals - also known as a coven. Covens allow you to be a part of a small Wiccan community. They meet regularly to perform rituals, especially on important Wiccan dates - notably the sabbats and esbats. As well as a sense of community, covens are also one of the best places to accelerate your learning. In this book, we'll be looking at everything you need to know about covens - including the history of covens, their structures, and how to join one. Don't worry, though - not everyone wants to be part of a coven, and that's perfectly fine, too. In this book, we'll be discussing all of your options, including circles and the solitary path. We'll also look at the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as a handful of less common traditions. You don't have to follow one of the traditions rigidly - and indeed, many Wiccans don't, choosing to become eclectic practitioners. Throughout this book, we'll be exploring all of the options available to you, as well as helping you know which path is right for you. In other words, Wicca Covens will teach you everything you need to know about starting your own Wiccan journey, today!

Everything You Need to Know to Start Your Wiccan Journey Although it is estimated that there are over 1 million practicing Wiccans around the world today, Wicca is one of the world's few religions that is more likely to be studied entirely on one's own than through in-person guidance. Depending on where you live, you might be able to find a coven or circle where you can meet fellow Wiccans and ask questions, but most newcomers to Wicca find themselves traveling solo. Luckily, there is no shortage of information about the "Old Religion" in print and online. Yet with all of the diverse and often conflicting perspectives out there, it can be hard to know where to begin. That's why best-selling author Lisa Chamberlain created the Wicca Starter Kit, bringing together three of her most popular guides-Wicca for Beginners, Finding Your Path, and Living a Magical Life-to get your journey underway. Wicca for Beginners: a Guide to Wiccan Beliefs, Rituals, Magic, and Witchcraft Wicca for Beginners was created as an entry point for anyone seeking information about this fascinating religion. It is intended as a broad introduction, addressing the most commonly asked questions by people new to Wicca. Lisa covers the history of Wicca, including its modern foundations as well as its ancient inspirations; the Wiccan God and Goddess; the Sabbats and the Esbats comprising the Wheel of the Year; core elements and tools of Wiccan ritual; basic principles of magic from both ancient and modern sources; and even an example ritual and spell suitable for beginners. By the end of this guide, you will definitely have a solid understanding of the essence of Wicca! Finding Your Path: A Guide to Wiccan Traditions, Solitary Practitioners, Eclectic Witches, Covens and Circles One of Wicca's greatest strengths as a spiritual practice is the variety of paths one can choose from. Perhaps you want to join a coven within an established tradition, or maybe a more individualized practice is your calling. In Finding Your Path, you'll learn about the wide spectrum of contemporary Wiccan practice, from traditional "orthodox" covens to looser, more "eclectic" covens and circles, as well as the more recent phenomenon of solitary practice, which has appeal for both traditional and eclectic Wiccans alike. Lisa covers everything you need to know about covens and circles, including their history, their structures, and how to find your Wiccan community. You'll also be introduced to the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as other less common traditions. If you don't already have a sense of the amazing diversity

of this innovative religion, you certainly will after reading this book! Living a Magical Life: A Guide to Initiation and Navigating Your Journey in the Craft New Wiccans will encounter two essential questions: 1) should you formalize your practice of the Craft with an initiation ritual? and 2) how do you integrate your new beliefs into your day-to-day life? In Living a Magical Life, Lisa addresses questions regarding coven initiation and solitary self-dedication, as well as less often-discussed topics like navigating common obstacles along your spiritual path, leaving behind old beliefs that no longer serve you, and developing and strengthening your inner psychic guidance system. There's also a step-by-step solitary initiation ritual you can perform when (and if) you feel the time is right, and spellwork for helping you stay in touch with your magical perspective every day-not just on Sabbats and Esbats! Get Started Today! Embarking on a new spiritual path is exciting, but it can also be overwhelming. The Wicca Starter Kit is a unique and comprehensive collection of books designed to welcome you to the Wiccan world and encourage you on your journey. Blessed Be!

Interested in witchcraft tradition and rituals? This book will teach you all about Wiccan beliefs, spells, potions, and magic! Are you curious to unleash the hidden powers that each person has within them? Wicca can assist you move closer to nature and bring good experiences to your life! Wicca is an ancient practice that is based on paganism and the worship of nature. When you mention witchcraft to people today, they mostly think of casting spells and spells just like witches in movies. But in real life, Wicca is a bit different. It is a rebirth of the ancient religions, which lasted for millennia before the arrival of Christianity. Wicca is often known as "the old religion". However, many times, those who start their journey in this fantastic parallel world, begin to find a lot of theoretical information without experiencing or putting into practice what they have learned. Witchcraft explains how to establish a perfect relationship with nature and release the great power of our ancestors. And of course, there are spells and potions included! Spells are what differentiate Wiccans from other conventional religions. But, before you get to that part, you must have a good handle on the fundamentals and rich history of Wicca. You must also understand how to manage and benefit from your work with candles, crystals, and herbs. And this book will guide you every step of the way! Wicca is one of the most popular neo-pagan religion, which emphasizes upon the peaceful relationship between the humans and nature. Wicca is a religion that professes equality between men and women and emphasizes on a healthy co-existing relationship between humans and nature. Apart from this, the Wiccan philosophy is also largely based on magic and spell-casting. The Wicca religion also emphasizes and encourages on the transmigration of souls. There are many different interpretations of the Wiccan religious texts, but the general viewpoint is the reincarnation of a soul is one of the pillars of the Wiccan way. One of the most common Wiccan theory is that when a person dies, their soul will temporarily reside in what they call 'the land eternal summer', where they will prepare and wait for their next incarnation. This is the main difference between Wicca and other traditional Abrahamic religions. Wiccans do not seek to fulfill their religious goals just to simply attain a sure place in a heavenly kingdom, or paradise. One of the main ethical laws of the Wiccan philosophy professes the following: do whatever you want upon earth as long as it does not harm others. This saves the religion from the problematic gap between the transcendent and the real worlds that other Abrahamic and Dharmic religions usually have. Based on all these interesting concepts and theories, Wicca is a religion that greatly fascinates scientists and professors who are given the enjoyable task of researching on the development of various kinds of religions. DOWNLOAD: Wicca Starter Kit, a complete guide with a practical handbook on the wiccan path, wiccan magic, spells, rituals and witchcraft. Wicca is a neo-pagan religion that is heavily associated with magic and the Book of Shadows. Among one of the many things that fascinates people into studying about this religion is its philosophy of promoting equality between men and women and a harmonious relationship between humans and god. The presence of magic only adds to the fascination, as magic is one of the many things in life that still holds unraveled mysteries and interesting concepts. Apart from this, the Wiccan philosophies were way ahead of their time - professing harmony and equality during the olden

times. The goal of the e-Book is simple: To help educate people about the traditional Wiccan ways, its history and also about the various Wiccan magic, spells, rituals and witchcraft. You will also learn: Principle of Wiccan beliefs Basics of Wiccan rituals Basic tools for wicca Types of Wiccan practices Step by step guides to altars, casting a circle, and casting a spell. Would you like to know more? Download the eBook, Wicca Starter Kit in order to educate yourself about the Wiccan history, magic, rituals and witchcraft. Scroll to the top of the page and select the buy now button.

Alone in Practice, Alive in Spirit The practice of Wicca is more popular than ever. While some Wiccans are unable to find a coven, others simply prefer to practice alone. Either way, solitary practice is a wholly authentic choice, steeped in traditions even older than those of organized covens. Known as the Father of American Wicca, Raymond Buckland provides this indispensable, comprehensive guide to the solitary practice of Wicca through every season of life. From becoming a Witch to improving your life through magic to mastering spells, rites, traditions, and celebrations, this thoroughly modern handbook includes information on: - The advantages and drawbacks of practicing solitary Wicca - Constructing the tools and sacred space needed to create magic every day - Using dreamwork, tarot cards, crystal balls, astrology, and other divinations - Maintaining ethics without the guidance of a coven - Developing the power to heal and to ward off negativity Let Wicca for One be your guidebook and inspiration as you travel the time-honored path of the solitary practitioner. "A step-by-step guide to Wicca as a lifestyle; practical, easy to read, and no-nonsense in tone." --Shelley Rabinovitch, author of The Encyclopedia of Modern Witchcraft and Neo-Paganism "A complete handbook of rites, rituals, and ultimately personal empowerment. Truly a guide for magickal living, and for all seasons of life." --Anthony Paige, author of Rocking the Goddess

If you want to know more about Wicca than keep reading. Witchcraft, Wicca, magick, green witches. This sounds like a combination of everything dark and mysterious... at least that is often the way witchcraft and Wicca are viewed. This book will change the way you think about these taboo topics. The many misconceptions that revolve around witchcraft can be dated back hundreds of years. It was considered a practice that lured those down a path of evil and sin. These misconceptions are laughable once you begin to research into the practice or religion that incorporates witchcraft into their belief systems. Green witches and Wiccans are not anything like the images that often flood your mind when you think of spellwork and magic. While some may say witchcraft is only for those wishing to cast ill-intent on to those who have worn them, this book will show you that witchcraft isn't about just about spells to get what you want. While the Wiccans and witches alike can manifest significant changes in their life, there is more to the belief system than that. Wicca is a spiritual path that can help you to better understand and ignite the passion you have hidden inside. This book will reveal to you how you can tap into the energy sources that surround you. You will also learn the various elements that make up the core Wicca philosophies, such as: What witchcraft really is (it's nothing like they depict in movies) What the Wicca religion is all about. The steps to becoming Wiccan The major holidays of the Wiccan religion How magic and spell work play a role in Wicca practices. If you have been searching for a spiritual path, you might find it through gaining a better understanding of what Wicca really is. This religion is one that focuses on the energies of the earth and natural elements. It is one that promotes making a connection to the spiritual world as you learn to make a deeper connection with yourself. If you have ever been curious about witchcraft, green witches, or Wicca, then this book will provide you with the truth of what each of these entails. You might realize that deep down that this is the path for you, and you will learn the steps you can take to continue on this path once you have finished reading this book. Do you want to practice more magic in your life? Have you always wanted to try it but weren't quite sure where to start? Do you look at all of the books and forums on magic and get overwhelmed by the details? Well, look no further! My book, Wicca Supplies: A Beginner's Guide of Magic Items: Crystal Magic, Herbal Magic, and Magic Essential Oils for Witchcraft Spells, is just what you need to help you get started on your path of magic. Wicca is a practice that celebrates nature and all things inherent in her majesty and life force. Part of learning the magic practices of Wicca Supplies is to get a picture and an overview of what Wicca is and what these supplies mean to any practice or craft. There are plenty of beliefs out there, and some of them want you to know only one way of crafting spells and performing rituals. This book asks you to get creative with your tools and to use your intuition to make magic. After all, that's what it's all about! This book will give you all the details you need to help you understand the various kinds of magical supplies and items that are common to the everyday witch or Wiccan. You can tell when you look through these pages that there are a lot of different ways to use these tools, and they will give you all the needed energy, support, and guidance you need to create beautiful and exciting spells for anything you need or want, including love, prosperity, money, protection, and more! All the elements in nature are explained in a way to help you understand how these four elements, plus a sacred fifth element you will discover, are all connected to these magical tools and how you pull together the great forces of energy to help you manifest your desires, hopes, and dreams when you put them all together in your practice and craft. Some of the magic you will learn will incorporate the Wiccan Wheel of the Year and how to celebrate the seasons with these magical supplies. You can also create and invent spells with these tools to honor the full moon and her richness. All the chapters in this book are guidance to help you feel confident and supported in bringing all of these magical qualities and supplies into your life and everyday practices. Here are just some of the amazing things you will find in this book: The origins and practice of Wicca, including the worship of God and Goddess, the Sabbats and Esbats, The Five Elements, and the Wiccan Rede The magic of crystals and how to choose, cleanse, and consecrate them for rituals and spells Herbal and plant magic, including a list of commonly used herbs and their magical properties How to use essential oils in magic spells and what you can do to make them last longer The magic of color when using candles and what the candle represents in magic How to make your incense and use it for any purpose The Book of Shadows and why you need to make your own Sample spells and rituals to show you how to use all of these magical items And more! This book was a pleasure to write; I have years of experience working with these magical supplies and what can give you the confidence to use them in your own practice. Let this guide open the door to a more magical existence for you, and join me on this magnificent journey to personal power and witchcraft! So what are you waiting for? Do you want to start practicing magic? Would you like to know where to begin? If yes, then keep reading...as this book can potentially change your life. Crystal Molina, an expert wicca practitioner, will give you the perfect foundation for taking your first steps into the world of witchcraft Wicca is one of those subjects that very few people actually understand. This is not due to anything other than the simple fact that people don't fully have all of the information that they require. Over the course of this book, the goal will be to dispel a lot of the misconceptions and myths that have come out over the years concerning this topic. The goal of this book is to educate the reader on the following topics: History of Wicca Some of the beliefs Traditions associated with Wicca Practices Acceptance of Wiccans among society Hopefully once you have read this book, you will have a better understanding of this subject and will see that in a lot of ways that wiccans are no different than the person living next door to you. The biggest problem with society and Wicca is the fact that there is a severe lack of understanding on the subject and people tend to fear what they do not understand. Don't wait.
